A reign of terror exists in this city. Women and children are being removed places of safety. The general belief is that the deputies will advance against the strikers on Bull Hill to-day or to-

It is reported that Gen. Palmer, who built the Denver and Rio Grande Railroad and has an established reputation as a fighter, will be in command of the deputies' army, with Charles Adams in direct charge of the cavalry. The fighting force on Bull Hill was increased to-day by the arrival of seventy-eight coal miners from Fremont County, and now numbers about 1,300 men.

It is reported here that over 1,000 deputies have taken a train at Divide for Midland, the terminus of the Midland Terminal Railway, and will proceed at nce to Bull Hill. The telegraph office at Divide refuses to send out messages and the sentinels will not permit any travel between this city and Divide. COLORADO SPRINGS, Col., June 4 .-

Preparations for war are going rapidly orward here, arms and ammunition coming in daily. One hundred thousand rounds of ammunition, shipped from Chicago Saturday, arrived to-day. Rifles and revolvers are coming in, and further shipments are expected from Chi-

VIOLENCE IN WEST VIRGINIA.

IOLENCE IN WEST VIRGINIA.

Is the second of the Chesapeake and Ohio, between Glikinson and Sewell, was burned by time Baturday night to blow up with dynamite, the Chesapeake and Ohio, with dynamite, the Creek, but only slight

Iy fair, with the East all fell.

The weather to-day, up to early discovered at the generally fair, but after that New Yorkers who expect to spend the evening, will be generally fair, but after that New Yorkers who expect to spend the evening and night away from home had better take their lightning-brods and mackintoshes with them, for thunder showers may be looked for.

To-morrow it will be generally fair, but after that New Yorkers who expect to spend the evening and night away from home had better take their lightning-brods and mackintoshes with them, for thunder showers may be looked for.

To clock was 66 degrees. At the same time, there was 73 per cent, of humidity in the atmosphere. The highest point touched by the mercury was at Key West, Fla., where it registered 82 degrees, and the lowest was at Alpina, with dynamite, the Creek, but only slight ris Creek, thirty miles above here, had been burned by strikers, and also that the Mann's Creek treatle, on the branch line of the Chesapeake and Ohio, between Gilkinson and Sewell, was burned saturday night. An attempt was made some time Saturday night to blow up with dynamite, the Chesapeake and Ohio treatle over Morris Creek, but only slight damage was done.

Trouble is hourly expected at Winifred, where the miners declare they will not quit work.

MINERS BACK DOWN.

No Further Trouble Expected at Cannelburg, Ind.

(By Associated Press.) parent that the backbone of the strike here has been broken. The militis have

done the work. The Washington miners descreed their colleagues and the Cannelburg miners as too few to do any thing but submit. It appears that the miners from Washington took a prominent part in the destruction of property on Friday night and returned to their homes.

Adit-Gen. Robbins and Col. Ross held another conference with the officers of the Miners' Union yesterday. I. N. Cassidy and George W. Purcell, of the State Executive Board, pledged their support of the law and their influence to prevent further interference with the movement of trains. The three prisoners were released yesterday in \$1,000 bonds each.

Trouble Feared at Wheeling Creek

BELLAIRE, O., June 4.—All the conditions are ripe at Wheeling Creek for encounter. Four hundred minallow no trains hading coal to pass over the line. The Company is making preparations to execute its coal shipping contracts, and it has been announced that trains will be started to-day. The miners are very usly. The Governor has refused to call out the troops unless there is violence.

PORTLAND, Ore., June 4.—Merchants in the flooded districts were at work all day yesterday removing goods or raising them on platforms above the water. The fiver continues to rise, and the situation grows more serious. The river here is thirty-one feet above low water, and is rising at the rae of one foot every twenty-four hours. Three-fourths of the wholesale district is under water from two to ten feet, and the water is fast encroaching upon the best part of the retail district. Hundrels of small houses on the flats are surrounded by water up to the second story and have begun to turn over.

Many merchants are unable to get lumber with which to build platforms to keep their goods above water. Every available load in the city has been hired and bost men receive from 11 to E per hour for services. The Western Union Telegraph Company's office is surrounded by six feet of water. The Malison street bridge is the nily bridge open to traffic. A rise of syx inches more will shut off the gas supinity of the city. The Union depot is two on Wednesday, and will remain abroad on wednesday, and will remain abroad on the first main grants in the plate of water, and the Union Pacific carrishops in Abina, are surrounded by winning the plate from Mr. Welch and keeping unable to reach every mental and of the city, heng unable to reach every depart the competition that Mr. Hooy challenged late from Mr. Welch and the trains are compelled to stop at the south end of the city, heng unable to reach every depart. thoroughly alarmed and rattled by the sensational revelations of the last week is shown by the fact that Col. E. C. James, the great objector, has been retained to assist Mr. Nicoli in looking out for the interests of the accused officials.

Great Lack of Funds.

It is true that the counsel for the Committee have been greatly hampered by lack of funds. Mr. Goff has already paid out of his own pocket all the expenses thus far incurred for stenographer's fees and various other details of the work. The only aid which has thus far come to them has been from the Parkhurst Society, which has furnished the services of its agents free of charge. Nothing has yet come in from the Chamber of Commerce, as majestic bodies always move slowly, but it is thought that the money will be forthcoming in time. It is at the present time, however, that it is most needed.

Among the crowd which was packed inside the rail were several stout women with blonde hair. It was understood that they would follow up the testimony of Mrs. Rhola Sanford, and Mrs. "Baldy" Jones.

Chaltman Levow called the Committee.

Chairman Lexow called the Committee o order at 11.19 A. M. Senators Bradley, Cantor, O'Connor and Robertson were the other members present. Senator Smelzer, from Elmira, occupied a seat on the

Half way down the block, she entered a house, the number of which is not known, either to the policeman or any of the onlookers.

Policeman Kelly held a short whispered conference with the two arch conspirators, and then they drove rapidly away in the opposite direction from that taken by the young woman. The policeman told the crowd that had gathered to move on, and the scene was ended.

Mrs. H. E. Donnelly, who keeps a boarding-house at 129 West Twentieth street, in front of which the affair took place, this afternoon denied knowledge of it to an "Evening World" reporter, but a woman boarder who was with her controlled Mrs. Donnelly, and admitted the truth of the story, which was afterwards corroborated by half a force people in the vicinity.

A water in the boarding-house at 131 said that the young woman declared the

Finally Timothy Denohue was found. He said he was a junk dealer. His son had been arrested on the complaint of an Italian woman, who accused him of stealing a gold locket from her.

The policeman who arrested his son, Donohue said, belonged to the Oak street station. He denied that he had paid any money to the policeman to get his son off. The only person to whom he paid money was his lawyer.

"You were subpeenaed to come here to-day?" asked Mr. Goff.

"Yes, and it is a bitter thing to bring me here, too."

"Why did you go to the Oak street pelice station after you received the subpeenae?"

"To see the police officer."

"What was his name?"

"Oakley, I think."

After denying several times that be had paid any money to the policeman Donohue admitted that be had alipped \$5\$ into the officer."
